Remark : Authorized executive to trade in demat I'd

Hereby I permitted Mr/ Mrs. having mobile no..... to buy and sell or to trade in equity and commodity segment on my behalf for the reason I am unable to focus or working in my demat account due to heavy work load or business of my working schedule . So plz allow the above mentioned executive to trade in my demat account, If there would be any profit or loss I would be responsible for it.

Thanks & Regards

Yours truly
